### TAX FILING SEASON 2021 (FOR TAX YEAR 2020) | **DEADLINE: APRIL 15, 2021**

If you 1<sup>st</sup> arrived in the U.S. in 2020, **RELAX** – nothing to file this year.

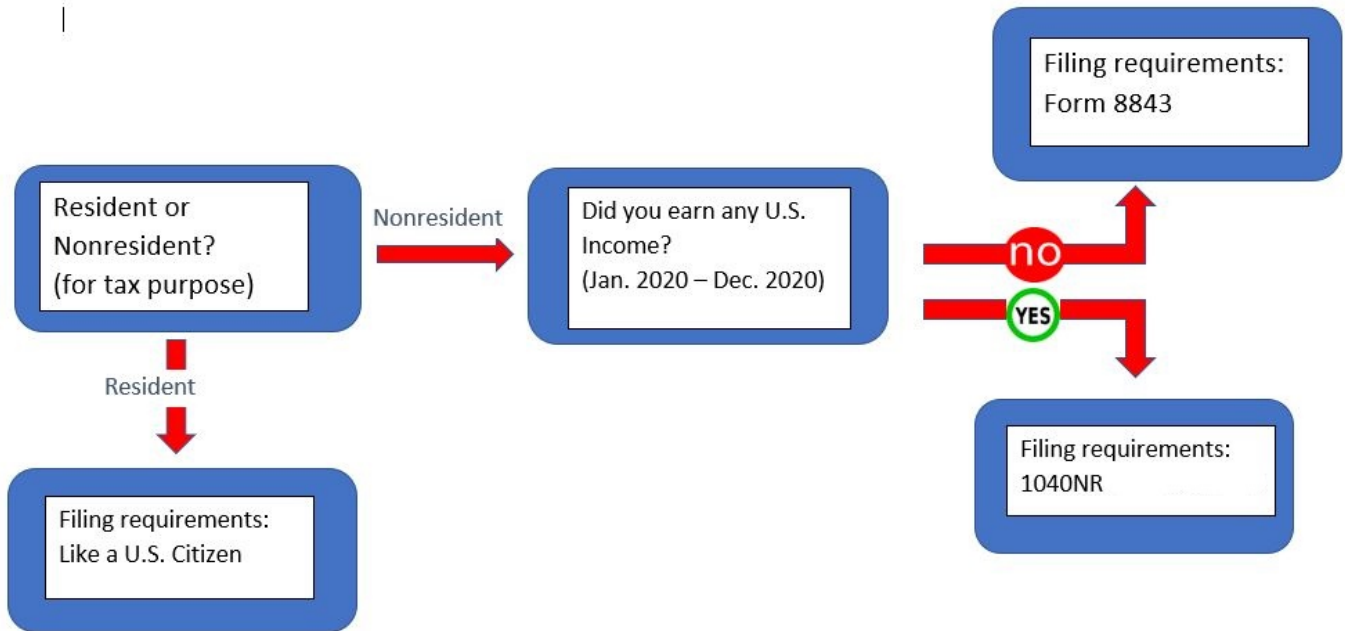

**Everybody Else: *Do you want a refund?***

You need to understand your tax filing requirements and the chart below.

### **The #1 Question About Taxes in the U.S.**

**Q:** *I’m not a U.S. citizen, so why do I need to do this?*

**A:** The US government might owe you a refund. If you don't ask for it, you won't get it. If you ever apply for a future visa, status or a Green Card, all tax records will be required for every year. Filing a tax form each year is the law for everyone in the U.S., regardless of income or employment.

- 1. Watch:** this short video intro above, from Sprintax.
- 2. Sign up and Attend:** "Let's Taco Bout Taxes" info session with w free food.
- 3. If you miss the info section:** Follow the easy steps provided on our revised [ISAP tax information page](#). ISAP cannot assist you in preparing them or repeating the information session on an individual basis.

**Be aware:** the Sprintax code provided by ISAP is only for use by UWG international students who are enrolled or on OPT. Sharing the code with anyone else is a basis for termination of your status.

## ALERT VIDEO | TAX SEASON IS ALSO FRAUD SEASON

- ISAP has received reports of unknown individuals pretending to be IRS agents who try to collect payments via high pressure calls or emails. Ignore such contact!! Ask ISAP first. Please watch this short [VIDEO](#) about tax fraud. Spread the word!

## DAYLIGHT SAVINGS TIME

“Spring forward, Fall backwards”. This means on March 14<sup>th</sup>, the time moves 1 hour forward during the night. It also means you “lose” an hour of sleep. Most devices set themselves these days, but be aware.
