IV.   Items:

College of Arts and Sciences

1. Program: Psychology
    Request: Modify Descriptions
    Action: Approved with a friendly amendment
    Modification #1 was confusing because the modification in a different form was made to the 2009-2010 catalog (the catalog currently reads: *Students must declare the major in Psychology prior to attempting 90 credit hours.*)

    A suggestion was made to change the proposed sentence to (change is in red):

"At the very least, students must declare the major in Psychology before 90 attempted hours of course work and [at] before the mid-point of the semester prior to the semester of graduation."
